Monday 24th June 2024

Dear Parents/Carers

It seems that the summer has finally arrived, and the warmer weather is here to stay for the next few weeks. We have a very busy week ahead and hope to see many of you at our planned events for families.

Tuesday 25th June 10am to 1pm - Transition event at Mayow Road - Life beyond Greenvale

Please join us at our first event of its kind at Greenvale. We have partnered with a number of adult services your young person will move across to as they approach adulthood. The following services have confirmed they will be attending; SaLT, OT, Mental health, specialist nursing teams from the NHS, Adult social care, SEN Education Rep from LA, Mencap, Signal, Resources for Autism and more. This event is open to all families with students in Years 9 to 14. It is a drop-in event in the Community Room from 10am to 1pm.

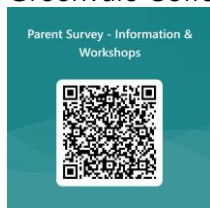

Diversity Week 24th - 28th June

This week at Greenvale is Diversity Week. We are holding several events to celebrate cultures from around the world, including workshops for students run by parents (many thanks to those parents), arts and crafts, cooking, a Latin band performance and Bollywood dance workshop. We hope you will join us for breakfast on Wednesday if you can.

MOVE program - September 2024

We excited to let you know that we will be starting our journey with the MOVE program next academic year. The MOVE program supports students with physical needs to develop their sitting, standing, walking and transferring skills in a motivating, engaging and functional way. Students on the programme will be set 'goals' that support their physio programmes and EHCP targets. These goals will be developed in a variety of ways in the school day and within sessions. We look forward to getting started, staff have already received training on this!

Greenvale Coffee Mornings Parent Survey

We are looking ahead to next year and planning our coffee morning offer for parents. Please complete the survey by scanning the QR code to let us know what you find useful and what would be helpful next year.

Remember we have an INSET day this Friday 28th June, school is closed to students, staff will be receiving training on Intensive Interaction.

Kind regards

Katie Denton
Headteacher
